BUSINESS HO'OPONOPONO

HAMBURG, Germany

Instructors: Irene Schwonek & Şirin Duruk

### IZI LLC Instructor's Biographies

**Irene Schwonek** attended the Self I-Dentity Through Ho'oponopono SITH® class in 2009 and 2011 with Dr. Ihaleakala Hew Len and Mary Koehler-My Wild Irish Rose. She hasn't passed a single day without her cleaning and being in connection with the inner family. Using the SITH® process has completely changed her life from living with dissatisfaction in debt and fear, to fulfillment, freedom and balance. She is deeply grateful for all the opportunities to clean that have been given to her by her family, friends, co-workers and from every financial aspect. In 2014 she was a staff member of the SITH® class in Italy. In 2015 she coordinated and translated the SITH® class in Germany. Irene has raised two children and is also an author, and a TV-producer for a children's channel in Munich.

**Şirin Duruk** studied psychology, method of movement and somatic education, as well as many different healing and awareness modalities. She always felt like something essential was missing until she found out about Self I-Dentity Through Ho'oponopono®. In 2009 she took her first class with Dr. Ihaleakala Hew Len and Mary Koehler and she felt like she finally found the missing link she was looking for so long. She started to apply cleaning to her experience in every aspect of her life in Turkey including family and friends, family companies she was taking care of as a Board Member, company social responsibility project for stray animals she is part of, classes she was instructing such as communication trainings with employees, awareness and movement classes with modern dance students at university, her relationship with Mother Earth and beyond. In the process, she realized if she wanted to solve any problem and correct any mistake, she had to take 100% responsibility for the reality she was experiencing. She also realizes if she wants freedom, awareness, evolvment, care and respect for any identity in her reality she has to start with herself, look within deeply and clean with her experience, so that inspiration can come and everyone can let go and move forward. Every day she is deeply grateful that she has the gift of SITH® in her life.
