HEALTH HO'OPONOPONO

English with Spanish translation

A process of being who you are through problem solving. 

The SITH® Health Ho'oponopono class is a wonderful opportunity to cleanse our experience and health concerns that we experience in ourselves, our families, relatives and ancestors

The SITH® Ho'oponopono Health class includes a menu of SITH® health tools that can be applied to health concerns and a questionnaire developed by Morrnah Nalamaku Simeona to clean up issues that arise that may contribute to these concerns.

We have the opportunity to apply the SITH® tools to our health and release the past memories that replay as health concerns in our lives
